

# UNIQUE EXPERIENCES AT GLASGOW MUSEUMS

**Let us create lasting memories for your clients.**

Glasgow Museums offer a wealth of history, art and heritage in some of the City's finest buildings. We have 4 group tours available to your clients.

## Highlights of Kelvingrove

Join one of our expert staff who will take you on a journey to the heart of one of the great civic museums of Europe with collections of major international significance including Dali, Rembrandt, Picasso and Charles Rennie Mackintosh. Enjoy an overview of the incredible collections covering art, archaeology, natural history, world culture and Scottish history. Tours can cover highlights of the whole collection or be tailored to your area of interest such as art or history. The tour will also include background on the Great Exhibitions and the history of the building. You can then enjoy a 10% discount in museum shop and a reserved table in the restaurant to allow your group to enjoy some refreshments together. And if you are lucky you may even enjoy one of our world famous daily organ recitals. Prices from **£250 + VAT**

## Highlights of Riverside

This award-winning transport museum is situated on the banks of the River Clyde where you can discover Glasgow's rich shipbuilding history, explore vintage cars and motorbikes or even climb aboard a train, tram or bus for a real feel of old public transport. One of our knowledgeable staff will guide you through the star attractions of the museum including a step back in time with a stroll through our Glasgow street where you can visit the shops, bar and subway for a real experience of the stories of Glasgow's past. You can then enjoy a 10% discount in the museum shop and a reserved table in the restaurant to allow your group to enjoy some refreshments together. Prices from **£250 + VAT**

## Behind the Scenes at the Museum Store

A unique opportunity to explore the vast collections of Glasgow Museums that are not currently on display. This purpose-built and environmentally controlled facility houses around 1.4 million objects from animals to armour, fine art to fossils, technology to World Cultures and much, much more. Join one of our knowledgeable curators for a highlights tour or if your group has a specialist interest we offer themed tours focusing on one of our fascinating collections such as Natural History or Art. Every tour includes an element of object handling and a sneak peek into our conservation studios to see the experts at work. Prices from **£250 + VAT**

## Research your Family History with Glasgow Archives

Discover the stories of your ancestors using the wonderful sources at The Mitchell Library in Glasgow, a one-stop shop for family history. Our leading archivists will engage with the group and its individual group members to identify the sources to help them connect with their ancestors in advance of their visit to Glasgow. You will then join our senior archivist and the expert team at The Mitchell Library for a special visit to review the material found and get bespoke advice on how to continue their family history research. Prices from **£250 + VAT**

We look forward to welcoming you and your clients to share our love and understanding of our rich and varied collections.
