

HOMEPORTAL REGISTRATION

To use Home Portal for the first time, we ask that you first register by selecting 'Register Now' and follow the prompts to create your account. Members details (i.e Name, Address, Date of Birth etc) must match what we have on our records.

Homeportal registration link: <https://members.glasgowclub.org/homeportal/>

You will be asked to enter your Card ID which should be shown in your welcome email. If you don't have this Card ID, please email swimming@glasgowlife.org.uk and we can help with this

Please continue to input the Date of Birth (of the Learn to Swim member) and either the registered email address of Postcode and click continue, if an error occurs after clicking continue, please check for any spelling errors and contact us if your details are accurate but you are unable to proceed any further

Home Portal **gladstone L²**
Health & Leisure

Register Now

Step 1 Locate your member record

Step 2 Answer security questions

Step 3 Link additional members

Step 4 Finalise your registration

Member's Date of Birth → should be in dd/mm/yyyy format

Now, answer **ONE** of the following:

Member's Email Address → enter the participant's email address

OR

Member's Postcode → enter the participant's postcode

[Continue](#)

You should now see the details for the registered Learn to Swim member. If you have a second Learn to Swim member attending lessons, you can also add their details to this account and all members will be shown in the one area. Please click 'Add another member' as circled and follow the above steps again or proceed to finish.

This process can be repeated for multiple Learn to Swim members

Home Portal **gladstone L²**
Health & Leisure

Register Now

Step 1 Locate your member record

Step 2 Answer security questions

Step 3 Link additional members

Step 4 Finalise your registration

Anybody else..?
HomePortal allows you to group several members into one account.
This means that you only need to login once to see the whole family!

My members:

[+](#) Add another member

That's everyone, proceed to finish

To finalise this registration, you will be asked to confirm your email address and create a password for login.
Please read/accept the terms and conditions and then click confirm to finish

The screenshot shows a web browser window with the URL wclub.org/Homeportal/register/4. The page header includes "Home Portal" and the "gladstone L2 Health & Leisure" logo. The main heading is "Register Now". Below this, there are four steps: Step 1 (Locate your member record), Step 2 (Answer security questions), Step 3 (Link additional members), and Step 4 (Finalise your registration). Step 4 is the current step. The text says "Please enter login details for your account to finalise the process." There are three input fields: "Your Email Address" (with a placeholder "I"), "Set a Password", and "Confirm Password". Each field has a question mark icon and a placeholder text. Below the fields is a checkbox labeled "I have read and accept the [terms and conditions](#)". At the bottom, there is a blue "Confirm" button with a red arrow pointing to it from the right.

Registration is now complete, and you should receive an activation email within 24 hours. Please confirm your account by clicking the link in the message to complete your registration

The screenshot shows the same Home Portal registration page, but now the registration is complete. The heading "Register Now" is still present. Below the four steps, the text says "Thank you, we have now sent you an email to confirm your account." and "Please click the link in the message to complete your registration." At the bottom, there is a blue link that says "Go to the HomePortal homepage."

If you do not receive this activation email, please check your junk mail in the first instance and if it is still not visible, please contact our Swim Co-ordinator using the email address below

swimming@glasgowlife.org.uk

Thank you for taking the time to register for Home Portal.

By logging into Home Portal on a regular basis, you will be able to track the progress of your Learn to Swim member(s) and when they are ready to progress to the next level, you will be able to select a suitable class to attend
